SECOND ANNUAL
Breast Cancer Symposium
A Comprehensive Approach to Breast Cancer Therapy
Saturday, October 11, 2014 • 7:30 a.m.-12:50 p.m.
Baptist Hospital of Miami, Auditorium
8900 N. Kendall Drive, Miami, Florida

TARGET AUDIENCE • General Surgeons, General Practitioners, Obstetricians and Gynecologists, Oncologists, Radiation Oncologists, Nurses, Radiologic Technologists, Ultrasound Technologists, Mammographers, Diagnostic Radiologists, Hematologist Oncologists, Respiratory Therapists and all other interested healthcare professionals.

OVERVIEW • This half-day symposium will focus on the medical management of common and important challenges facing health professionals who care for breast cancer patients. The multispecialty educational approach allows participants to explore new diagnoses and cutting-edge treatment options for various areas of breast cancer patient care in a concise symposium format.
